### **COMMENTS ON FINAL FIRST ANNUAL GROUNDWATER MONITORING REPORT FOR IR SITES 4, 5, 6, 7 DATED MARCH 2005, U. S. NAVAL WEAPONS STATION, SEAL BEACH**

Dear Ms. Tamashiro:

We have completed our review of the above-referenced document, dated June 2005, which we received on June 6, 2005. Three groundwater monitoring and sampling events were conducted at Sites 4, 5, 6, and 7 between September 2003 and October 2004.

We concur with the recommendation to discontinue groundwater monitoring at Sites 4 and 6. We also concur with the recommendation for annual groundwater and surface water monitoring at Site 5, and annual groundwater monitoring at Site 7.

If you should have any questions, please call me at (951) 782-4498, or send e-mail to [phannon@waterboards.ca.gov](mailto:phannon@waterboards.ca.gov).

Sincerely,
